

BITES & BOARDS®

CHEESEBOARD SELECTIONS

All boards include a thoughtfully curated selection of specialty cheeses, cured meats, seasonal fresh & dried fruit, nuts, pickled veggies, honey and/or pepper jelly, and a sweet treat. A sleeve of crackers is included with each board.

Note that all suggested serving sizes are based on standard appetizer portions of 2 oz cheese and 1.5 oz of cured meat per person. If the board is the only food being served at your event, we suggest ordering up a size. All boards are unique and are the original design of food stylist.
